Statements that are not historical facts are forward-looking statements. Forward-looking statements are based on current beliefs and assumptions that are subject to risks and uncertainties and are not guarantees of future performance. Actual results could differ materially from those contained in any forward-looking statement as a result of various factors, including, without limitation: our expectations as to when top-line safety and efficacy data for BTA074 (teslexivir) are expected; our expectations related to the direct-acting antiviral mechanism of action of teslexivir; the risk that the conditions to the closing of the Merger are not satisfied, including the failure to timely or at all obtain stockholder approval for the Merger; uncertainties as to the timing of the consummation of the Merger and the ability of each of Aviragen and Vaxart to consummate the Merger; risks related to Aviragen’s ability to correctly estimate its operating expenses and its expenses associated with the Merger; risks related to the market price of Aviragen’s common stock relative to the exchange ratio; the ability of Aviragen or Vaxart to protect their respective intellectual property rights; competitive responses to the Merger; unexpected costs, charges or expenses resulting from the Merger; potential adverse reactions or changes to business relationships resulting from the announcement or completion of the Merger; provisions in certificate of incorporation, bylaws and laws of Delaware containing provisions that could delay or discourage a change in control of the Company; and legislative, regulatory, political and economic developments. The foregoing review of important factors that could cause actual events to differ from expectations should not be construed as exhaustive and should be read in conjunction with statements that are included herein and elsewhere, including the risk factors included in Aviragen’s most recent Annual Report on Form 10-K, and Aviragen’s recent Quarterly Report on Form 10-Q and Current Reports on Form 8-K filed with the SEC. Aviragen can give no assurance that the conditions to the Merger will be satisfied.
