Item 8.01 Other Events.

On January 3, 2018, Digirad Corporation filed a verified complaint with the Court of Chancery of the State of Delaware under 8 Del. C. § 211 seeking to compel Aviragen Therapeutics, Inc. (the “Company”) to hold an annual meeting of its stockholders for the purpose of electing directors because the Company has not held an annual meeting for more than thirteen months.

On January 4, 2018, the Board of Directors of the Company scheduled an annual meeting for the election of directors to take place on April 11, 2018. Nasdaq requires the Company to hold its annual meeting by June 30, 2018. In order to comply with this requirement, the Company had planned to set a date for the annual meeting following the Company’s previously announced Special Shareholders Meeting, scheduled for February 6, 2018, to vote on its proposed merger with Vaxart, Inc., which was announced on October 30, 2017. At their meeting today, the Board also selected February 14, 2018 as the record date for the annual meeting.

Forward-Looking Statements

This communication contains forward-looking statements (including within the meaning of Section 21E of the United States Securities Exchange Act of 1934, as amended, and Section 27A of the Securities Act of 1933, as amended) concerning the Company, Vaxart, the merger of Merger Sub with and into Vaxart, with Vaxart becoming a wholly-owned subsidiary of Aviragen and the surviving corporation of the merger (the “Merger”) and other matters. These statements may discuss goals, intentions and expectations as to future plans, trends, events, results of operations or financial condition, or otherwise, based on current beliefs of the management of Aviragen, as well as assumptions made by, and information currently available to, management. Forward-looking statements generally include statements that are predictive in nature and depend upon or refer to future events or conditions, and include words such as “may,” “will,” “should,” “would,” “expect,” “anticipate,” “plan,” “likely,” “believe,” “estimate,” “project,” “intend,” and other similar expressions among others. Statements that are not historical facts are forward-looking statements. Forward-looking statements are based on current beliefs and assumptions that are subject to risks and uncertainties and are not guarantees of future performance. Actual results could differ materially from those contained in any forward-looking statement as a result of various factors, including, without limitation: the risk that the conditions to the closing of the Merger are not satisfied, including the failure to timely or at all obtain stockholder approval for the Merger; uncertainties as to the timing of the consummation of the Merger and the ability of each of Aviragen and Vaxart to consummate the Merger; risks related to Aviragen’s ability to correctly estimate its operating expenses and its expenses associated with the Merger; risks related to the market price of Aviragen’s common stock relative to the exchange ratio; the ability of Aviragen or Vaxart to protect their respective intellectual property rights; competitive responses to the Merger; unexpected costs, charges or expenses resulting from the Merger; potential adverse reactions or changes to business relationships resulting from the announcement or completion of the Merger; provisions in certificate of incorporation, bylaws and laws of Delaware containing provisions that could delay or discourage a change in control of the Company; and legislative, regulatory, political and economic developments. The foregoing review of important factors that could cause actual events to differ from expectations should not be construed as exhaustive and should be read in conjunction with statements that are included herein and elsewhere, including the risk factors included in Aviragen’s most recent proxy/prospectus/information statement on Form S-4 filed with the SEC. Aviragen can give no assurance that the conditions to the Merger will be satisfied. Except as required by applicable law, Aviragen undertakes no obligation to revise or update any forward-looking statement, or to make any other forward-looking statements, whether as a result of new information, future events or otherwise.
